A photograph of a geography classroom. The room features rows of light-colored wooden desks with green metal frames and matching wooden chairs. In the background, there is a large wooden bookshelf filled with books and binders. A globe hangs from the ceiling. On the wall, there is a large map of the world and a framed historical map. A window on the right side of the room provides natural light. An inset image in the bottom right corner shows a close-up of a desk with a globe, a small Eiffel Tower model, and other geographical items.
